Workshop 2 agenda draft 09-21-12.docx

This looks pretty finalized to me. I had not opened it until just now. Brock will fill in the details and send out a final tomorrow.

Subject: Bay Delta Workshop 2 agenda

Attached is the final agenda for Bay Delta workshop 2 on October 1 and 2. I have made one adjustment to the order of panels to accommodate a presenter coming from the east coast. Again, note that the first day is scheduled to run after 5:00.

Also, while the agenda itself is now stable, there are still some holes in the list of topics for some panels. I know that you are still pushing to get your presentations developed, but I'd like to have something with a complete list of topics to have for the Board to post on the project website and to have available at the workshop itself.

Have a great (and I expect busy) weekend.
